About NET

The National Educational Testing Bureau of University Grants Commission (UGC) conducts National Eligibility Test (NET) to determine eligibility for lectureship and for award of Junior Research Fellowship (JRF) for Indian nationals in order to ensure minimum standards for the entrants in the teaching profession and research. The Test is conducted in Humanities (including languages), Social Sciences, Forensic Science, Environmental Sciences, Computer Science and Applications and Electronic Science.

The Council of Scientific and Industrial Research (CSIR) conducts the UGC-CSIR NET for other Science subjects, namely, Life Sciences, Physical Sciences, Chemical Sciences, Mathematical Sciences and Earth Atmospheric Ocean & Planetary Sciences jointly with the UGC. The tests are conducted twice in a year generally in the months of June and December. For candidates who desire to pursue research, the Junior Research Fellowship (JRF) is available for five years subject to fulfillment of certain conditions. UGC has allocated a number of fellowships to the universities for the candidates who qualify the test for JRF. The JRFs are awarded to the meritorious candidates from among the candidates qualifying for eligibility for lectureship in the NET. JRFs are available only to the candidates who opt for it in their application forms.

NET Schedule

UGC conducts NET twice a year, i.e., in the months of June and December. The notifications announcing the June and December examinations are published in the months of March and September respectively in the weekly journal of nation-wide circulation, viz, Employment News.

Scope of NET

NET/JRF qualification offers a vista of opportunities ranging from high end research to top academic positions in universities and institutions of higher learning. Not surprisingly UGC NET/JRF requires thorough preparation and consistent practice of mock exam papers.

Our Courses

Aarohan Classes offers NET/JRF courses for various disciplines including: Mathematics, Physics, Chemistry, Sociology, Computer Science, Law, History, Education, Philosophy, Psychology, Odia, English, Public Administration **and other such subjects.**

We offer Regular/Sunday/Elearning batches.
